Passes orders granting certain facilities and concessions for the floatation of —— for the manufacture of sanitary pipes and fittings.

ORDER No. D. 5644-54—I. & C. 183-36-3, DATED BANGALORE, THE 22ND FEBRUARY 1937.

The Mysore Industrial Development Company, Bangalore City, have approached Government for the grant of certain facilities and concessions in connection with the floatation of a Joint Stock Company under the title of "The Mysore Stone-ware Pipes and Potteries" for the manufacture of sanitary pipes and fittings.

2. The scheme put forward by the promoters appears to be promising. The proposed factory will be the third of its kind in the whole of India and the first in the Deccan. Many cities and towns are likely to undertake drainage schemes in the near future and there will be a growing demand both in and outside the State for the stone-ware products.

3. Government are accordingly pleased to direct that the following facilities and concessions be granted to the proposed company :—

(1) Government will give free of cost unoccupied waste land measuring about 70 acres near the Soldevanahalli Pumping Station. The quarters attached to the Soldevanahalli Pumping Station except those required by Government will be valued by the Chief Engineer and the company will have the option to take them over at that price at any time during a period of five years. In the meanwhile, they will pay a rental of 4 per cent of the value and the buildings will be kept by the company in good repair.

Subject: Messrs. Kenkare Brothers, United India Building, Bangalore.

Sir,

"I" With reference to your Confidential letter No.W.198/W.61-40-47 dated 3rd June 1941, I have the honour to state that the firm of Messrs. Kenkare Brothers was started in the year 1930 at Dodballapur and the branch at Bangalore was opened only a year back. The firm deals mainly in silk yarn, spun silk and silk cloth, and the major portion of its requirements, the cost of which is estimated at Rupees six lakhs annually, is bought from Chennapatna. Its goods are marketed in Bombay, Patna, Bhagalpur, Karachi, Amritsar, Benares and other places. It also deals in fuel and charcoal.

The firm is managed by one Venkatanarayana and his four brothers - all residents of Dodballapur - who pay an annual assessment of Rs.150/-. The firm is stated to have a working capital of Rs.50,000/- and banks with the Canara Bank, Ltd., at Dodballapur and Bangalore.

The financial position and the reputation of the firm appear to be such as to justify its inclusion in the list of Government Contractors.
